# Together, We Can Build a Better Future

At Habitat for Humanity of the River Valley, we believe every family deserves the opportunity to build a safe, stable, and self-reliant future. But for many families, the dream of owning their own home remains out of reach. That's where we—and you—come in.

Habitat for Humanity partners with families in need of affordable and safe housing to build homes that provide a foundation for success. Through our unique model, Habitat homeowners work alongside over 800 volunteers each year to construct their homes, contributing “sweat equity” while taking an active role in creating a better future.

These families then purchase homes through affordable mortgages, empowering them to achieve financial stability and independence. To date, we have partnered with over 300 families locally to make the dream of home ownership a reality.

Owning your own home profoundly transforms lives. Statistics show that homeownership fosters better health, improved safety, more substantial educational outcomes, and new economic opportunities. It provides children with the stability they need to thrive and succeed and helps communities break the cycle of poverty.

We invite you to partner with Habitat for Humanity by sponsoring our 4th annual **Raise the Roof Celebration**. Your support will allow us to continue this life-changing work—building not just homes but hope. Your sponsorships help us purchase building materials, support volunteer teams, and provide resources for families working toward home ownership.

Together, we can create a world where everyone has a decent place to live. Please join us in this mission, knowing that your partnership will change lives—one home, one family, one community at a time.

Thank you for your support,

Angel Stinson, Kathi Tew, and Lynn Troy

# Build with us!

## FOUNDATION PARTNER \$15,000

Just as a strong foundation supports an entire home, your contribution provides the cornerstone for families to build a stable and self-reliant future. This level funds significant aspects of construction, such as site preparation, framing, and roofing materials.

## BLUEPRINT BUILDER \$10,000

A home begins with a vision. Your sponsorship at this level helps make the dream of homeownership a reality. This level supports essential structural elements like walls, flooring, and insulation, ensuring the home's durability and comfort.

## ROOF RAISER \$5,000

A roof symbolizes security and shelter. By joining at this level, your sponsorship protects families from the elements and provides a safe space to grow. This level helps fund roofing, windows, and weatherproofing materials.

## BRICK BY BRICK SUPPORTER \$2,500

Small steps build great things. Your contribution at this level helps provide the building blocks of home construction, from bricks and paint to fixtures and hardware, ensuring that every detail is taken care of.

## HAMMER AND NAILS CONTRIBUTOR \$1,250

Every home is built one nail at a time, and your sponsorship ensures construction stays on track. This level supports tools, landscaping, and the finishing touches that turn a house into a home.
