Together, we can build a better future.

Since 1987, Habitat for Humanity of the River Valley has brought people together to build homes, community, and hope across the Huntsville metropolitan area. With the support of volunteers, donors, and partners, we have helped nearly 400 families achieve affordable homeownership and continue to provide critical home repairs for those in need.

We invite your company to become a sponsor of our upcoming event and join us in making a lasting impact. This event is an opportunity to connect with other community-minded leaders while directly supporting families working toward safe, stable housing. Your sponsorship helps support volunteer efforts and expand access to affordable housing in our community.

Each year, hundreds of volunteers come together to support Habitat's mission, strengthening civic engagement and building a stronger community. By partnering with us as a sponsor, your organization becomes part of this work, helping create opportunities for families while demonstrating a commitment to meaningful, local impact.

We hope you will join us as a sponsor and help us continue building homes, community, and hope for years to come.

Thank you for your support,

Jenny McGuire
Raise the Roof Committee Chair
HFHRV Board of Directors

Build with us!

COMMUNITY LEADER \$25,000

Habitat is about more than building homes. Community Leaders encourage and empower families to reach their full potential. This level helps support opportunities for our friends and neighbors to grow and thrive together.

FOUNDATION PARTNER \$15,000

Just as a strong foundation supports an entire home, your contribution provides the cornerstone for families to build a stable and self-reliant future. This level funds significant aspects of construction, such as site preparation, framing, and roofing materials.

BLUEPRINT BUILDER \$10,000

A home begins with a vision. Your sponsorship at this level helps make the dream of homeownership a reality. This level supports essential structural elements like walls, flooring, and insulation, ensuring the home's durability and comfort.

ROOF RAISER \$5,000

A roof symbolizes security and shelter. By joining this level, your sponsorship protects families from the elements and provides a safe space to grow. This level helps fund roofing, windows, and weatherproofing materials.

BRICK BY BRICK SUPPORTER \$2,500

Small steps build great things. Your contribution at this level helps provide the blocks of home construction, from bricks and paint fixtures and hardware, ensuring that every detail is taken care of.

HAMMER AND NAILS CONTRIBUTOR \$1,250

Every home is built one nail at a time, and your sponsorship ensures construction stays on track. This level supports tools, landscaping, and the finishing touches that turn a house into a home.

A Special Sponsor Challenge from our Presenting Sponsor

Schrimsher Company applauds the businesses and community partners who stand with Habitat for Humanity and believe, as we do, that every family deserves a safe, affordable place to call home.

We are fortunate to be part of a dynamic and generous business community – one that understands that a strong community is built not only through economic success, but through our willingness to give back and create opportunities for others.

For nearly 40 years, Habitat for Humanity of the River Valley has been changing lives – one family and one home at a time. Everyone gathered here has helped make that work possible. But there is much more to be done.

As Habitat prepares to celebrate its 40th anniversary, we have an opportunity to do something extraordinary together.

Schrimsher Company is increasing its commitment to \$25,000 and challenges our fellow businesses and community partners to join us in stepping up.

Our challenge is simple: Double your support for Habitat in the year ahead.

Imagine what we can accomplish if each of us does twice as much.

More homes. More families. More opportunity. And a stronger community for all of us.
